

Service Case Registration Form VALX bv

Please send this filled-in form to VALX bv (see address on page 3)

Procedural Conventions

- When a Service Case occurs, the customer has to notify the vehicle manufacturer first in accordance with the guidelines stipulated by the vehicle manufacturer
- The requested information should be sent to VALX either by e-mail, fax or letter within 48 hours after the failure was first discovered
- VALX will confirm registration of the Service Case within 2 working days after reception and process the Service Case within a reasonable amount of time
- The customer must offer VALX the opportunity to inspect the vehicle and/or the damaged parts
- The customer should only send defective parts for repair or replacement to one of the VALX repair centres when asked by VALX to do so
- Transportation charges are not covered
